

Town of Woodside
CF-6R Certificate Forms
Additions and New Construction

2955 Woodside Road • Woodside • CA • 94062
650.851-6790 [tell] • 650.851-2195 [fax] www.Woodsidetown.org

The attached pages are the MF-1R (Mandatory Measures Summary) and the CF-6R (Installation Certificate) forms that shall be completed and kept available on site. These forms shall be filled out completely prior to scheduling of the Building Department final inspection.

All Mandatory Measures are the minimum requirement and must be met or if you're Energy Report has more restrictive requirements than they shall be met.

If you have made any changes in the design of the building that are different from the Energy Report that was approved by the Town of Woodside, a revision of the report is required to be submitted and approved prior to the change in construction or installation taking place. This includes but is not limited to, change in windows or addition /removal of windows or skylights, insulation, heating and cooling equipment.

The complete 2008 California Energy Code and the different guidelines and forms can be found at:
