Town of Woodside. 2955 Woodside Road. Woodside. California. 94062. (650)851-6790

The undersigned hereby applies for permission to excavate, construct and/or otherwise encroach upon the right-of-way of the Town of Woodside road(s) listed.

Project Address: _____ APN: _____

Project Description: _____

Work to be done in the Town R.O.W: _____

Proposed Start Date: _____ Proposed End Date: _____

Table with 3 columns: Applicant, Owner, Contractor. Each column has fields for Name, Address, and Phone.

"USA" Inquiry ID# _____

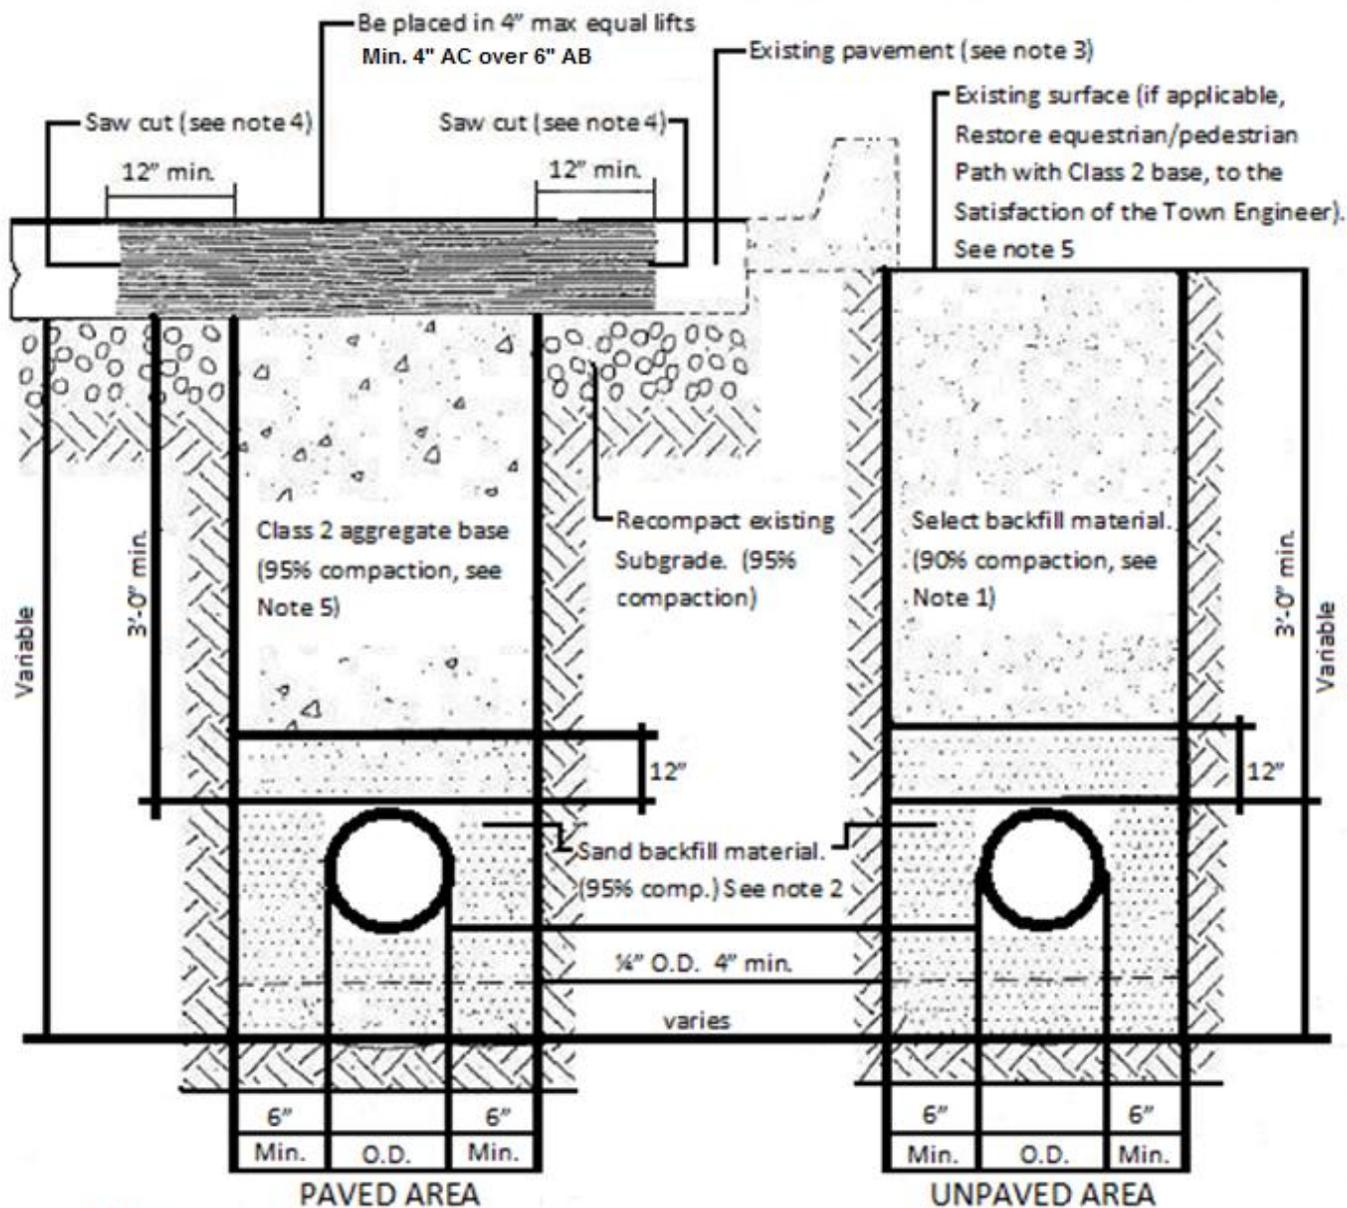

NOTE: State of California Government Code Sections 4216 and 4217 require an INQUIRY IDENTIFICATION NUMBER be assigned to every person planning to conduct an excavation in a Public Right of Way or Private Easement. If applicable, the applicant shall call the 'USA' Regional Notification Center at 1-800-642-2444, a minimum of two (2) working days prior to commencing that excavation.

The work authorized by this Permit, hereinafter known as the "ENCROACHMENT", shall be subject to all the terms, conditions, and restrictions set forth herein. This permit consists of this page and the Conditions of Approval attached and made a part hereof and any drawings referenced above. This project, as specifically described, is to be strictly construed and no other activity shall be permitted. The Permittee and/or his contractor indemnifies and saves harmless the Town, its officers, agents, employees and servants from all claims, suits or actions of every name, kind and description, brought for, or on account of, injuries to or death of any person or damage to property resulting from the performance of any work authorized or required by this Permit of Permittee and/or his contractor, their officers, agents, employees and/or servants. Applicant agrees to accomplish the described activity in accordance with applicable Town of Woodside codes, regulations, restrictions and specifications and to be subject to inspection and approval by Town Staff.

Owner's Signature: _____ Date: _____

Special Provisions/Conditions of Approval: Contact Town Engineer 24 hours prior to repair. Repair per standard trench backfill detail which is on the reverse side of this permit. Traffic control measures shall be implemented to the satisfaction of the Town Engineer.

Permit Approved By: Sean Rose, Town Engineer _____ Date: _____

Notes:

1. Select backfill material. Material from excavation, free from stones or lumps exceeding 3" in greatest dimension, vegetable matter or other unsatisfactory material.
2. Sand backfill material. Material free from organic matter and clay with a sieve gradation by weight as follows:

Sieve Size	% Passing Sieve
No. 4	100
No. 200	0-5

3. If the edge of the trench falls within 3' of the gutter or shoulder edge, the entire pavement shall be removed.
4. It is recommended to saw cut after trench work is completed and backfilled.
5. Recycled Class 2 Aggregate Base.
