

PG&E Woodside Open House

Pacific Gas and Electric Company (PG&E) is currently replacing sections of our natural gas pipeline underneath the open space parallel to 280 in Woodside, through a portion of Barkley Park, along a portion of Farm Hill Boulevard and Eden Bower Court, through the access road of Emerald Hills Golf Course, and then tying in on Wilmington Drive in Redwood City and Emerald Lake Hills. This is part of our system-wide program to ensure the safety of the transmission pipelines that deliver gas across the region. As part of our commitment to our communities we will be holding an event to answer any questions you may have about this project.

Attend an open house

To learn more about this project and PG&E's safety programs, stop by anytime during our open house:

Tuesday, August 12th, 6 p.m. to 8 p.m.

Independence Hall, 2955 Woodside Rd, Woodside

If you have questions about this project, call **Austin Sharp** at **650-730-4168**
